INTRODUCTION

The original Petition for Binding Arbitration was filed by the Employer on July 2, 2010. I was notified of my appointment as Chairman and impartial Chairperson by a correspondence dated January 26, 2011 as amended on March 8, 2011. It is noted that both parties waived all of the time limits contained in the statute and the regulations.

The parties scheduled a series of hearing dates and exchanged exhibits and witness lists in advance of the first hearing date. Formal hearings were held before the hearing panel on July 11, 2011, August 3, 2011 and a final meeting on September 1, 2011.

AWARD

As a result of extensive efforts by the parties, they ultimately reached a stipulation which both requested be considered by the panel and if the panel found the stipulation to be appropriate, to adopt the stipulation and issue it as the Award in this dispute.
