What is the Border-to-Border Trail?

The Huron River winds through approximately 35 miles of Washtenaw County. The **Border-to-Border Trail (B2B)** represents an ongoing collaboration of communities and organizations to construct a shared-use path that will link the open spaces of the Huron River greenway.

With its **County Greenways Initiative**, the Washtenaw County Parks & Recreation Commission has made a serious commitment to expand hike and bike trails throughout the county, and the Border-to-Border Trail is WCPARC's major

development project to achieve this goal. 10+ miles of paved shared-use paths exist today, with more to come.

Enjoy your ride!
