

WARM THE CHILDREN

Providing warm winter clothing for children in need.

Make a Difference in our Community! Volunteer today!

AnnArbor.com is looking for "Volunteer Shoppers" to make our Warm the Children program a success.

Warm the Children is dedicated to providing new winter clothing for needy children. Teachers and social workers submit names of children whose families might struggle to buy warm clothing for their children. Families are paired up with a volunteer shopper to buy \$90 worth of new winter clothing at a local store. The purchases are tax-exempt and 100% of donated funds are used for Warm the Children. No money is spent on administrative fees; AnnArbor.com provides these services.

To make this program a success we need the help of volunteers. If you are interested in making a difference in our community please contact Kori Isaac at koriisaac@annarbor.com or call at 734-623-4651 and say you will volunteer as a Warm the Children shopper.
